

Application Serial No. 10/806,749
Request for Reconsideration dated July 25, 2005
Reply to Office Action of July 5, 2005

REMARKS

Claims 35 – 50 remain in the application for consideration.

1. Claims 35 – 50 have been provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 57 – 107 of copending application serial no. 10/958,139.

Enclosed is a Terminal Disclaimer executed on behalf of applicant's assignee which is effective to overcome this ground of rejection. Reconsideration of this ground of rejection and withdrawal thereof are respectfully requested.

Fee Status (37 CFR §§ 1.20(d) and 1.321)

Please charge the fee of \$130.00 prescribed by 37 CFR 1.20(d) for the filing of this Terminal Disclaimer to our Account No. 16-2195. A duplicate copy of this paper is attached.

In summary, it has been shown that claims 35 – 50 are in condition for allowance and such further action is requested.

Respectfully submitted,

Gaetano D. Maccarone
